

SCALE CLEAN

Fruit Descaling Aid

READ ENTIRE LABEL BEFORE USING THIS PRODUCT

Washington

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. SCALE CLEAN causes irritation of eyes, nose, throat and skin. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Do not contaminate feed and foodstuffs. Do not apply this product in such a manner as to directly, or through drift, expose workers or other persons.

Irrigation equipment must have antisiphon devices and automatic shutoff valves to prevent contamination of water sources.

Have injector pump electrical connections coupled with the system's shutdown controls. Do not chemigate if wind speed exceeds 10 mph.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Promptly drink large quantities of water. Avoid alcohol. Do not give anything by mouth to any unconscious person.

IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS: Do not contaminate water when disposing of equipment washwaters.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

STORAGE: Store in original container away from children, foods, and feeds.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration. If allowed by state and local authorities, dispose of containers by burning. If burned, stay out of smoke.

CONTAINS:

Hydroxy-Tri-Carboxylic Acids and Acetic Acids

NOT A PLANT FOOD PRODUCT

This product is manufactured by:
Northwest Agricultural Products Inc.
P.O. Box 3453
Pasco, WA 99302
(509)547-8234

Net Contents: 5 gallons

Weight per Gallon: 9.30 lbs

***WARNING: CORROSIVE MATERIAL
KEEP OUT OF REACH OF CHILDREN***

**Information regarding the contents and levels of metals in this product is available on the internet:

GENERAL INFORMATION

SCALE CLEAN is a fruit surface calcium build-up reducer. Scale clean works on the surface of the scale and causes a change in the scale's crystal structure to allow it to slough off more easily and be washed off the fruit.

COMPATIBILITY

SCALE CLEAN should not be used in conjunction with any other water modification product such as sulfuric acid.

DIRECTIONS FOR USE

Use in strict accordance with precautions, warnings and directions for use.

FOR OVERHEAD COOLING: Specific use rates will vary with hardness and water quality. As a general rule, a final concentration of 5 to 10 ppm will aid in reducing calcium or scale buildup on fruit from overhead cooling with irrigation water. Note: 40 ounces of Scale Clean per acre-foot of water equals 1ppm. Injection of SCALE CLEAN should occur throughout the cooling cycle on a continuous basis. Results are dependent upon water quality, irrigation practices, and system design. Irrigation conduits can be and are almost always lined with carbonate deposits and buildup. SCALE CLEAN's effectiveness will be impacted by the amount of scale buildup already present in the irrigation system.

Heavily scaled systems will probably require acid cleaning or replacement of scaled components before using scale clean.

Conditions of Sale

Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one other than the officer of Seller, is authorized to make any warranty, guarantee or direction concerning this product. Because the time, place, rate of application and other conditions of use are beyond Seller's control. Seller's liability from handling, storage and use of this product is limited to replacement of product.
